Justin Timberlake, Make Luv

i like to party, uh uh,
everybody does,
make luv and listen to the music,
you've got to let yourself go go go go go
i like to party, uh uh,
everybody does,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
(music solo)
i like to party, uh uh,
everybody does,
make luv and listen to the music,
you've got to let yourself go go go go go,
i like to party, uh uh,
everybody does,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
(music solo)
i like to party, uh uh,
everybody does,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go,
make luv and listen to the music,
you've got to let yourself go go go go go,
make luv and listen to the music,
go go go go,
make luv and listen to the music
you've got to let yourself go go go go go, (fades out)
