

# 10,000 Maniacs, Let The Mystery Be

[ Iris DeMent ]

[ From her debut album: Infamous Angel ]

Chorus:

Everybody's wondering what and where they all came from  
Everybody's worrying 'bout where they're gonna go  
When the whole thing's done  
Nobody knows for certain,  
And so it's all the same to me  
I Think I'll just let the mystery be

Some say once gone, you're gone forever  
Some say you're gonna come back  
Some say you rest in the arms of the Savior  
if in sinful ways you lack  
Some say that they're comin' back in a garden  
Bunch of carrots and little sweet peas  
I Think I'll just let the mystery be

Some say they're going to place called Glory  
And I ain't sayin' it ain't a fact  
But I've heard that I'm on the road to purgatory  
And I don't like the sound of that  
I believe in love and I live my life accordingly  
But I choose to let the mystery be
