

112, Peaches & Cream (Aaliyah And Memphis Bleek)

It be the R.O.C.

Stop, ****

Ain't nothin' change in this Bentley drop,
I take ten out, believe me, Bleek's been out,
If you ain't livin' for the moment, ma get out
You know the whip's sick
Plus it's missin' the top
You wanna roll with the ROC
Then come get hot
I got no take, 'cause the wrist it sparkle
Beats bark, new ****, black sparkle
Come on

(Aaliyah)

All my clothes are tailor-made
And yes I got a house right off the lake
You know I be spendin' everyday
Don't matter 'cause all my bills are paid
Drop top Bentley, Gucci shades
Gamblin' in Vegas for a day
Yes brothers I do intimidate
And sisters can't fade 'cause I'm made.
See...

(Chorus - Aaliyah)

I'm livin' the good life
I'm partyin' every night
I'm watchin' the Crystal flow
V.I.P. and that's all I know
Just livin that good life
Still partyin' every night
Still watchin' the Crystal flow
V.I.P. and that's all I know

(Aaliyah)

Private jet to Amsterdam
13 karats on my hands
Wall Street says I'm doin' fine
Drop cash for all country side
Payin' chauffeurs, butlers, maids
Runnin' up spa bills everyday
Country clubbin' with rich friends
Tomorrow I'll do it all again
You see...

Chorus

(Memphis Bleek)

Yo yo aiiyo M dot, him hot, him got
Him cock, Benz coupe, him drop
Him got land view, Swiss accounts
And him got dough tied around his spouse
M. Bleek splurge, cop a couple of furs
A couple of karats
If you want it you can have it
Bleek on chrome got home, it's on
No stoppin' me now this little n**** in the zone
I dine out, did it pop in the grind out
Shorty act up I put her on time out
Relax ma

(Aaliyah)

Uh, uh, uh, good life
Uh, uh, uh, that's right

Uh, uh, uh, good life
Uh, uh, uh, I'm livin' that
Uh, uh, uh, good life
Uh, uh, uh, that's right
Uh, uh, uh, good life
Uh, uh, uh

Repeat chorus until fade
