

# 18 Over Par, Nothin' Much

I've heard all that you've been saying  
It wasn't very nice  
I don't think I deserve  
To be called the names that I've been called  
I didn't want to do it  
This is not my fault  
I've been here before  
And I don't like the things you said  
And I guess I don't have a chance  
Of gettin' back with you  
But I don't think I really want to now  
You did those things you wanted to.  
I don't care if you hate me now  
Because you know I don't like you  
That is just the childish thing to do  
And I don't care what they've been saying  
You know that it's not true  
All I want is one more chance  
To prove myself to you  
I don't really care now  
If you don't think I'm cool  
All I need is one more chat  
To show you that you I rule  
Chorus....  
And I don't really care what I have to do now  
Just as long as it doesn't incorporate you  
And I don't really care what I have to do now  
As long as I get through
