

22 Pistepirkko, Oo My Head

I'm in love with the girl in downtown
I'm in love with the girl in downtown
she don't know that I am
I don't know where she usually moves
Saw her one summer day
Now the snow is on my way
I'm riding in snowy downtown
feeling like, like a loose toon
I'm in love with the girl in downtown
I'm in love with the girl in downtown
she don't know that I am
I don't know where she usually moves
I'm riding in snowy downtown
Don't cry wolf, it's a christmas time
She don't know that I am
I don't know where she usually moves
I'm riding in snowy downtown
Don't cry wolf, it's a christmas time
