

# 30 Seconds to Mars, City Of Angels

There was truth.  
There was consequence against you  
A weak defense, then there's me  
I'm 17 and looking for a fight.  
All my life  
I was never there  
Just a ghost  
Running scared.  
Here, our dreams aren't made  
They're won.  
Lost in the City of Angels  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights.  
Bought my fate  
Straight from hell.  
Second sight  
Has paid off well for a mother, a brother and me.  
The silver of a lake at night;  
The hills of Hollywood on fire;  
A boulevard of hope and dreams;  
Streets made of desire.  
Lost in the City of Angels;  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights.  
I found myself in the fire burned hills,  
In the land of a billion lights.  
(Of a billion lights, of a billion lights, of a billion lights...)  
Angels  
Angels  
I am home!  
Home!  
Home!  
Home  
Lost in the City of Angels;  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights.  
One life, one love - Live!  
One life, one love - Live!  
One life, one love - Live!  
One life, one love
