

# 30 Seconds to Mars, Oblivion

The enemy arrives  
Escape into the night  
Everybody run now  
Everybody run now  
Break into another time  
This enemy alive  
Divinity defines  
Everybody run now  
Everybody run now  
Everybody run now  
Everybody run  
Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come

Come with us to the ride  
Join in the fight  
Everybody run now  
Everybody run now  
Break into another time  
Unity divides  
Division will unite  
Everybody run now  
Everybody run now  
Everybody run now  
Everybody run

Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come

Under the burning sun  
I take a look around  
Imagine if this all came down  
America it's all so beautiful  
Until it comes away

Under the burning sun I take a look around  
Imagine if this all came down  
Under the burning sun I take a look around  
Imagine if this all came down  
Under the burning sun I take a look around  
Imagine if this all came
