

# 30 Seconds to Mars, Savior

Until you crash  
Until you burn  
Until you lie  
Until you learn  
Until you see  
Until you believe  
Until you fight  
Until you fall  
Until the end of everything at all  
Until you die  
Until you're alive

Don't save me, don't save me, cuz I don't care  
Don't save me, don't save me, cuz  
I don't care

Until you give  
Until you've used  
Until you've lost  
Until you lose  
Until you see, how could you believe?  
Until you've lived a thousand times  
Until you've seen the other side  
This is my chance, this is my chance

Don't save me, don't save me, cuz I don't care  
Don't save me, don't save me, cuz  
I don't care

Until the truth becomes a lie  
Until you change, until you deny  
Until you believe

This is my chance, this is my chance  
I'll take it now because I can  
This is my chance, I want it now

Don't save me, don't save me, cuz I don't care  
Don't save me, don't save me, cuz  
I don't care

Save me, save me, save me  
Save me, save me, save me  
I don't care
