

# 30 Seconds to Mars, Under Pressure

Do you tear under pressure?  
On fire your tearing me apart.  
Do you tear under pressure?  
This love's become a war  
A thousand mistakes Heaven's made  
Only a miracle could save you today  
A thousand mistakes Heaven's made  
Only a miracle could save you today  
Do you tear under pressure?  
On fire your tearing me apart.  
Do you tear under pressure?  
This love's become a war
