

311, Leaving Babylon

Well I say
Leaving this Babylon
I said I'm leaving this babylon
I'm leaving this Babylon
I will not be too long now
I will not be too long
Since my people are starvin'
But your money's runnin'
I said my people are starvin'
But your money's runnin'

I see a dollar dollar tucked down real low
You ain't got nothin' to show
Gun step right to the door
Not gonna come back no more

Cause the politician lied
The mama just did cry, and nothin ever gonna change
My father just design
My sister just allign
I ain't got nothin to think no more

Well I say
Well I say
Not take that goal away
Not to dread me today
