

# 3rd Storee, You Don't Want Me To

You dont want me to babe....  
oOoh no.  
yeah yeah..  
yeah yeah yeah yeah..  
Listen Baby  
I dreamed about  
being with you  
And I wanna make my dream come true  
But I know  
that your pain  
still remain  
(I know your pain still remain)  
And I wanna be  
the one that you  
can put your love And trust into  
but when you  
really need someone  
I like to be  
the one who will be right there  
I don't know what to say  
I'll never have no words  
everytime I see your face it hurts  
that I can't be with u  
cause I know you don't want me to  
you don't want me to  
I wake up all alone  
make breakfast on my own  
everything has changed now that you're gone  
now i can't be with you  
living life is hard to do  
When you don't want me to  
I thought about  
the things I said  
And I thought of what went through my head  
But please know  
that my heart  
never change  
(please know my heart never change)  
And right now I need  
for you to see  
the very different side of me  
When you know  
you can love someone  
I like to be  
the one who will be right there  
I don't know what to say  
I'll never have the words  
everytime I see your face it hurts  
that I can't be with u  
cause I know you don't want me to  
you don't want me to  
I wake up all alone  
make breakfast on my own  
everything has changed now that you're gone  
When I can't be with you  
living life is hard to do  
When you don't want me to  
You kno its not easy  
when I can't stop thinking  
Thinking about you  
girl its driving me crazy  
because you don't want me to  
I don't know what to say  
I'll never have the words

everytime I see your face it hurts  
that I can't be with u  
cause I know you don't want me to  
(you don't want me to)  
I wake up all alone  
make breakfast on my own  
everything has changed now that you're gone  
When I can't be with you  
living life is hard to do  
When you don't want me to
