5 Seconds Of Summer, Don't Stop

You're like perfection, some kind of holiday You got me thinking that we could run away You want I'll take you there You tell me when and where But then I asked for your number Said you don't have a phone It's getting late now I gotta let you go Everybody wants to take you home tonight I'm gonna find a way to make you mine

Don't stop, doin' what you're doin'
Every time you move to the beat
It gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Everytime you walk in the room
You got all eyes on you
And you know it, know it, know it

You're coming close now Swear I can taste it You've got me tongue tied I can't escape it I'm loving what you got, but then you push me off

Everybody wants to take you home tonight But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'
Everytime you move to the beat
it gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Everytime you walk in the room
You got all eyes on you
And you know it, know it, know it

Every day is the same all the games that you play Back and fourth round and round kinda like it this way

Don't stop doin' what you're doin'
Cause everytime you move to the beat
It gets harder for me
And you know it, know it, know it

Don't stop 'cause you know that I like it Everytime you walk in the room you got all eyes on you And you know it, know it, know it

Don't stop doin' what you're doin'
Every time you move to the beat
It gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Everytime you walk in the room
you got all eyes on you
And you know it, know it, know it

Don't stop 'cause you know that I like it Everytime you walk in the room you got all eyes on you And you know it, know it, know it
