

5 Seconds Of Summer, Easier

is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know
you don't want it any other way

why do we always gotta run away?
and we wind up in the same place
it's like we're looking for the same thing
some thing
do we really gotta do this now?
right here with all your friends around
in the morning
we can work it out
work it out

I love you so much that I hate you
right now
it's so hard to blame you
cause you're so damn beautiful
you're so damn beautiful

is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know that you're always gonna stay the same
is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know
you don't want it any other way

every time that you say you're gonna leave
that's when you get the very best of me
you know we need it like the air we breathe
air we breathe

I love you so much that I hate you
right now
it's so hard to blame you
cause you're so damn beautiful
you're so damn beautiful

is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know that you're always gonna stay the same
is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know
you don't want it any other way

the hardest part of all

is that we we're only built to fall

is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know that you're always gonna stay the same
is it easier to stay
is it easier to go
I don't wanna know
but I know that I'm never
ever gonna change
and you know
you don't want it any other way

I love you so much that I hate you
right now
it's so hard to blame you
cause you're so damn beautiful
