

# 5 Seconds Of Summer, Older (feat. Sierra Deaton)

I don't wanna get older  
Without your head on my shoulder  
On the day that you leave me  
I'll forever be bleeding love

As forever comes closer  
Hope the world will spin slower  
I don't wanna get older  
I don't wanna get older

Stare at the photograph  
Suddenly takes me back  
The promises roll off your breath  
In your cocaine-colored wedding dress

Lost in the day to day  
You kiss away the pain  
Oh every time you twist my lips  
My dear devoted delicate

It's not worth it if I lose my one-way ticket for two  
Just me  
Just you

I don't wanna get older  
Without your head on my shoulder  
On the day that you leave me  
I'll forever be bleeding love

As forever comes closer  
Hope the world will spin slower  
I don't wanna get older  
I don't wanna get older

Our love is tailor made  
But we let the edges fade  
Your wicked smile it says it all  
Mixed with my sad and cynical

No tragedy at the end  
No nothing Shakespearean  
It all comes flooding back again  
My dear devoted delicate

It's not worth it if I lose my one-way ticket for two  
Just me  
Just you

I don't wanna get older  
Without your head on my shoulder  
On the day that you leave me  
I'll forever be bleeding love

As forever comes closer  
Hope the world will spin slower  
I don't wanna get older  
I don't wanna get older
