5 Seconds Of Summer, She's Kinda Hot

My girlfriend's bitchin' cause I always sleep in She's always screaming when she's calling her friends She's kinda hot though Yeah she's kinda hot though (Just an itty bitty little bit hot)

My shrink is telling me I've got crazy dreams She's also saying I've got low self-esteem She's kinda hot though Yeah she's kinda hot though (Just an itty bitty little bit hot)

She put me on meds She won't get out of my head She's kinda hot though (1,2,3)

My friend left college cause it felt like a job His mum and dad both think he's a slob He's got a shot though (No, not really) Yeah, he's got a shot though (No, not really)

When you've got bigger plans
That no one else understands
You've got a shot though
(Oh my, that's a big plan you've got there)

They say we're losers and we're all alright with that We're the leaders of the not coming back But we're alright though Yeah we're alright though

We are the kings and the queens of the new broken scene Yeah we're alright though (Uno, dos, tres, cuatro)

Sometimes I'm feeling like I'm going insane My neighbour told me that I've got bad brains But I'm alright though (We're alright though) Yeah we'll be alright though (We're alright though)

Cause we're the kings and the queens of the new broken scene And we're alright though (1,2,3)

They say we're losers and we're all alright with that
We're the leaders of the not coming back
But we're alright though
(We're alright though)
Yeah we're alright though
(We're alright though)
We are the kings and the queens of the new broken scene
Yeah we're alright though
(We've got to be Ok)
But we're alright though
Yeah we're alright though
We are the kings and the queens of the new broken scene
Yeah we're alright though
