

# 50 Cent, Everytime I Come Around (ft. Kidd Kidd)

Everytime I come around, me I keep my gun around  
Its never on safety  
I?m on it, niggas know when I'm around  
Fuck around its going down, no if's or maybe's  
Okay, ring around the rosey, pocket full of oozeys  
Niggas getting clicked man  
Okay if you fuck with the homies, while I got it on me  
You?ll get your bed break man
