

# 50 Cent, Hidden Agenda

C'mon baby (c'mon baby, c'mon baby)  
Do do do do do (Do do do do do, Do do do do do)  
Oohh Yeah (Oohh yeah, Oohh Yeah)  
C'mon (c'mon, c'mon)  
Now Baby, he keeps on sayin' and he tells you you're the only one  
But everybody knows he's out there havin' fun  
Behind your back, and that's a fact  
And it ain't right  
Cause he's a fly guy acting like a gentlemen  
But back in the day I can still remember when  
He'd just turn around, wouldn't looked twice at you  
[Hook:]

And I, just being straight with you  
Cause He, Takes you for a fool  
So you, should be on your guard  
When he thinks you don't have a clue  
And I, keep the truth be known  
That you, and don't fall alone  
When He, gets everything he wants  
So girl open up your eyes and see  
With me...

[Chorus:]  
What you see is what you get  
No hidden agenda  
So girlfriend when he's playing around  
You better remember  
What you see is what you get  
No hidden agenda  
So girlfriend when he's playing around  
You better remember

Now Lady  
When he tells you that he loves you and wont give you up  
Takes your car and it's your money that be fillin' it up  
With the wad he's got, this he hit the jackpot  
And it ain't right  
Cause your ?? keep him sweet and that's so typical  
He's only in it for himself and that's so cynical  
He'd be out of site if girl, you lost it all  
[Hook 2:]

So I, feel so bad inside  
When He's, crusin' in your ride  
Cause I know, baby, late at night,  
There's some other girl by his side  
And I, wanna let you know  
That he, really outta go  
And you, should believe in me  
Cause I care baby, can't you see...

[Chorus:]  
What you see is what you get  
No hidden agenda  
So girlfriend when he's playing around  
You better remember  
No baby girl, when he does you wrong  
I'll make sure that you're alright, yeah  
I just wanna be your friend  
Cause there's no reason to pretend  
And that's the difference with me, Oohh girl

[Chorus:]  
What you see is what you get  
No hidden agenda  
So girlfriend when he's playing around  
You better remember  
What you see is what you get  
No hidden agenda

So girlfriend when he's playing around  
You better remember
