Look as soon as I step in the club i swear

My nigga you can feel the attention shift

Started around twelve ended up around two

I better leave with more hoes than I came here with

I cant be responsible for what I say or I do

when i talk intoxicated

Shorty say i told her I love heri put her out the next mornin

sayin b!tch I must have been faded

I dont know what you heard about me

but the word about me

that Im no trick Im no sucker im no chump

I be in the VIP with my niggaz round me

sayin yall can have whatever you want

Me I get it in

Thats Sunday, Monday, Tuesday, Wednesday, Thursday

Friday we get it in

I need a drink, give me a drink

I need a drink, shorty give me a drink

(repeat)

I hate to say I told you so, but I told you so,

i go hard when its time to play

Shorty get to droppin it low, like the dancers do,

in the Go-Go in front of me

She know i like to see her dance she get to breakin it down

we get the bouncin outta control

Because i got a hell of a flow we got paper to blow

my whole clique pop bottles galore

Its no secret the hood done peeped it

when we come through son we look like bread

My 89 grind make my old nine shine

like we been movin bricks round this bitch for years

I say i get it in its because i get it in

now shorty there a eight but her friend near a ten

I finna spend my G she f@#k with me im into win,

im cooler than her ma then we do this sh!t again

Me I get it in
