

# 50 Cent, I'm Gonna Be Alright (Track Masters Re

[Jennifer Lopez]

money, cars, for a while  
walked around with a smile but  
deep inside i could hear  
voices telling me this ain't right  
don't u know its not for you  
i always knew what i had to do  
but its hard to get away  
because i love you i just tried to stay  
I used to say I couldn't do it but I did it (yes I did)  
After telling everybody that I wasnt with it (oow yeah)  
Though it brings tears to my eyes, I can feel it  
And I know inside i'm gonna be alright (Im gonna be alright)  
I said I couldn't do it but I did it (yes I did, baby)  
After telling everybody that I wasn't with it (oh yeah)  
though it brings tears to my eyes, I can feel it  
And that voice inside says I'm gonna be alright  
Friends of mine say to me  
They say you got control over me  
you're not alone, I played a part  
i saw the way you were from the start  
Could I expect so much from you  
You had a girl when I first met you  
Did the best that you could do  
Now I realize I can't change you  
I used to say I couldn't do it but I did it  
After telling everybody that I wasnt with it  
Though it brings tears to my eyes, I can feel it  
And I know inside i'm gonna be alright (Im gonna be alright)  
I said I couldn't do it but I did it (yes I have baby)  
After telling everybody that I wasn't with it (ow yeah)  
though it brings tears to my eyes, I can feel it  
And that voice inside says I'm gonna be alright  
Said I wouldn't walk away  
Somedays I want to stay  
But leaving you is what I need to do to be okay  
Never thought it would be true  
Me livin' without you  
But now it's time for me to make a move

[50 Cent]

Now when I tell ya what my wishes are  
u don't respect it  
when i smile at ya  
u don't smile back to reconnect it  
u ain't been goon long but  
i already miss ya  
i need you next to me so i can hug u and kiss u  
all the talkin on the phone  
all the time we share  
how could u fix your mouth to say i don't care  
i had plans 4 us  
to buy ice together, engagement rings, and things and sharelife together  
now when your friends take ya 50 go ya like whatever  
do u think we were wrong for each other from the start  
or was it my actions that made us fall apart  
just want u to know you always have a place in my heart

[Jennifer Lopez]

I used to say I couldn't do it but I did it (but I did baby)  
After telling everybody that I wasnt with it (wasnt wit it)  
Though it brings tears to my eyes, I can feel it (to my eyes)  
And I know inside i'm gonna be alright (Im gonna be alright)  
I said I couldn't do it but I did it (but I did)  
After telling everybody that I wasn't with it (wasnt wit it)  
though it brings tears to my eyes, I can feel it

And that voice inside says I'm gonna be alright  
Oh no be alright  
Oh no Im gonna be alright  
I used to say I couldn't do it but I did it  
After telling everybody that I wasnt with it  
Though it brings tears to my eyes, I can feel it  
And I know inside i'm gonna be alright  
I said I couldn't do it but I did it  
After telling everybody that I wasn't with it  
though it brings tears to my eyes, I can feel it  
And that voice inside says I'm gonna be alright
