

50 Cent, Jenny From The Block Remix

[Styles]

Children grow and women e

And men go work X, yeah

J Lo, yeah

Yeah, yo, yo

We off the block this year

Went from a load to a lot this year

Everybody mad at the rocks that I wear

I know where I'm going and I know where I'm from

You hear Lox in the air

Yeah we at the airport out in D-Block

From the block where everybody Air Force'd out

With a new white T, you fresh

Nothing phoney with us

Make the money, get the mansion, bring it home Swizz

[Jennifer Lopez]

From In Living Color to movie scripts

To On The Six , to J Lo to this headline clips

I stay grounded

As the amounts roll in

I'm real I thought I told you (I'm real)

I'm real even on Oprah (I'm real)

That's just me

Nothing phoney, don't hate on me

What you get is what you see, oh

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

[50 Cent]

It's everyday I go out and say hey

to the people all around me, but then

I see someone lookin' back at me, and I think...

it's JFTB.

[Jennifer Lopez]

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

I'm down to earth like this

Rockin' this business

I've grown up so much

I'm in control and lovin' it

Rumors got me laughing kid

I love my life and my public

Put God first and can't forget to stay real

To me its like breathing, yeah

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

[Styles & Jadakiss]

Yo, yo

It take hard work to cash checks

So don't be fooled by the rocks that I got, the assets

You get back what you put out

And even if you take the good route

You can't count the hood out

After a while you'll know who to blend with

Just keep it real with the ones you came in with

Best thing to do is stay low

The blocks and J Lo

They act like they don't - but they know

They can't get a penny from the block (Every one's got to make a living)

And at the end of the day

She's still Jenny from the block, yeah

[50 Cent]

Hey girl, whatcha doin girl

I got five-hundred dollars, let's go girl

c'mom c'mon

just you and me

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

Don't be fooled by the rocks that I got

I'm still, I'm still Jenny from the block

Used to have a little, now I have a lot

No matter where I go

I know where I came from

(From The Bronx)

[50 Cent & Styles]
