

# 50 Cent, Never Leave You \*Uh Oh\*

Uh oh, Uh oh, Uh oh, Uh oh,  
Honestly  
If a I tell, tell you what,  
What you want to know love  
There ain't another,  
Don't want no other lover  
I put nothing above ya.  
I kick them to the gutter.  
You try to shake me but wound up loving me crazy now  
Look at us lately and tell them who's your lady  
I'd never thought you'd be the one,  
Make me shine brighter than the sun  
There ain't no ups and downs,  
No in and out to here right now.  
If you want me to stay  
I never leave  
If you want me to stay  
We'll always be  
If you want me to stay  
Love endlessly  
If you want me to stay  
If you want me to stay  
I'll never leave you  
Uh oh, Uh oh, Uh oh, Uh oh  
Now all your loving that  
We're happy it's a fact  
Can't nothing hold us back.  
We got this in the bag  
There ain't no maybe  
No questions ,love you daily now  
Look at us lately and tell them who's your lady  
I'd never thought you'd be the one,  
Make me shine brighter than the sun  
There ain't no ups and downs,  
No in and out to here right now.  
If you want me to stay  
I never leave  
If you want me to stay  
We'll always be  
If you want me to stay  
Love endlessly  
If you want me to stay  
If you want me to stay  
I'll never leave you
