

50 Cent, Selena

I could lose my heart tonight
If you don't turn and walk away
'Cause the way I feel I might
Lose control and let you stay
'Cause I could take you in my arms
And never let go

CHORUS

I could fall in love with you
I could fall in love
I can only wonder how
Touching you would make me feel
But if I take this chance right now
Tomorrow will you want me still
So I should keep this to myself
And never let you know
I could fall in love with you
I could fall in love with you
And I know it's not right
And I guess I should try
To do what I should do
But I couldcould fall in love
Fall in love with you

(-Spanish Solo-)

Siempre estoy sonando en ti
besando mis labois,
acariando mi piel,
abrazandome con amas
como yo podria amarte.
So I should keep this to myself
And never let you know

CHORUS

I could fall in love, I could fall in love with you baby
I could fall in love with you
