Intro (50):

Something special,

Unforgetable, 50 Cent (cent),

Justin (tin),

Timbaland (land), god damn (damn)

She she, she want it, I want to give it to her

She know that, it's right here for her

I want to, see her break it down

I'm ballin', throw'n money around

Verse 1 (50 & amp; JT):

She work it girl, she work the pole

She break it down, she take it low

She fine as hell, she about the dough

She doing her thing out on the floor

Her money money, she makin' makin'

Look at the way she shakin' shakin'

Make you want to touch it, make you want to taste it

Have you lustin' for her, go crazy face it

Now don't stop, get it, get it

The way she shakin' make you want to hit it

Think she double jointed from the way she splitted

Got you're head f**ked up from the way she did it

She's so much more than you're used to

She know's just how to move to seduce you

She gone do the right thing and touch the right spot

Dance in you're lap till you're ready to pop

She always ready, when you want it she want it

Like a nympho, the info, I show you where to meet her

On the late night, till daylight the club jumpin'

If you want a good time, she gone give you what you want

Chorus (JT):

Baby it's a new age, bit like my new craze

Let's get together maybe we can start a new phase

The smokes got the club all hazy, spotlights don't do you justice baby

Why don't you come over here, you got me saying

Aavooh

I'm tired of using technology, why don't you sit down on top of me

Aayooh

I'm tired of using technology, I need you right in front of me

2x Ooh, she wants it, uh uh, she wants it

Ooh, she wants it, (soo), I got to give it to her

Timbaband:

4x You're hips, you're thighs, you got me hypnotized, let me tell you

Verse 2 (50 & amp; JT):

Got a thing for that thing she got

The way she make it jiggle, the way she make it pop

Make it rain for us so she don't stop

I ain't got to move, I can sit and watch

In her fantasy, there's plain to see

Just how it be, her and me, backstrokin', sweat soaking

All into my set sheets

When she ready to ride, I'm ready to roll

I'll be in this bitch till the club close

Watchin her do her thing on all fours

Now that that shit should be against the law

From side to side, let the ride, break it down (down down)

Know I like, when you hype, and you throw it all around

Different style, different move, damn I like the way you move

Girl you got me thinking 'bout, all the things I do to you

Let's get it poppin' shorty we can switch positions

From the couch to the counters in my kitchen

Chorus (JT):
