

# 50 Cent, Timeless

(Justin)

Baby come close let me tell you this  
In a whisper my heart tells you know it too  
Baby we both share a secret wish  
And your feeling my love reaching out to you

(Justin&Kelly)

Timeless don't let it end no  
Now that your right here in my arms where you should stay  
Hold tight baby

Timeless don't let it fade out of sight  
Just let the moment sweep us both away  
Lifting us to where we both agree,  
This is timeless, Love

(Kelly)

I see it all baby in your eyes  
When you look at me you know I feel it too, Yes I do

(Justin&Kelly)

So lets sail away and meet forever baby

(Kelly)

Where the crystal ocean melts into the sky

(Kelly)

We shouldn't let the moment pass  
Makin me shiver lets make it last

(Justin&Kelly)

Why should we lose, Don't ever let me go

Time

(Justin&Kelly)

Baby it's timeless, Baby it's timeless

Timeless,

(Justin) Don't let it fade out of sight

(Kelly) Just let the moment sweep us both away

Lifting us to where we both agree

(Justin&Kelly)

This is timeless, this is timeless

Love
