

50 Cent, Without Meat

Without Meat vol. 2

[Obie Trice]

"Obie Trice, Real Meat No Gimmicks..."

[Fleminem]

Two trailer park beefs go round the outside,
round the outside, round the outside.

Two trailer park beefs go round the outside,
round the outside, round the outside.

[Female Voice]

"Oooooohhhh!"

[Fleminem]

Guess what's back, back again

Meat is back, tell some men

Guess whats back, guess what's back,

guess what's back, guess what's back,

guess what's back, guess what's back,

Guess who's back...

I've created a new meat, cuz nobody wants to

See turkey no more they want Ham

I'm chopped liver

Well if you want Ham, then this is what I'll give ya

A little bit of pee mixed with some hard liquor

Some vodka that will jumpstart my heart quicker

Then a shock when I get shocked at the hospital

By the Dr. when I'm not cooperating

When I'm eating the table while he's operating "Hey"

You waited this long to stop debating

Cuz I'm back, I'm on the rag and ovulating

I know that you got a job Ms. Lamely

But your husband's are problems is complicating

So the MeatCC won't let me be

Yo let me be me so let me see

They tried to shut me down on Bake TV

But it feels so empty without meat

So cmon man put me in ya fridge , bum on your lips

jump back, jiggle her lip and wiggle a bit

And get ready cuz this lunch its about to get heavy

I just settled all my love and , fudge on Debbie!"

Now this looks like a Lunch for me

So everybody just let me

Cuz we need a little pork & beef,

Cuz it feels so empty without meat

I said this looks like a job for me

So everybody just follow me

Cuz we need a little pork & beef,

Cuz it feels so empty without meat

Little aliens, kids feeling rebellious

Embarrassed, their parents still listen to Elvis

They start feeling like prison is helpless,

Til someone comes along on a mission and yells "Rich"

A visionary, vision is Im Scaredy , could start a revolution,

Pollutin' the air waids a rebel

So let me just revel and bask,

In the fact that I got everyone eating my meat

And it's a disaster such a catastrophe

For you to eat so darn much of my meat you eat for me?

Well I'm back (*Batman Noise*) fix your bent antenna

Tune it in and then I'm gonna enter

Into the front of your skin like a splinter

The center of attention back for the meeting

I'm interesting, the best thing since wrestling

Infesting in your kids ears and nesting

Testing "Attention Please"

Feel the tension soon as soon someone mentions me

Here's my 5 cents, my 7 cents is free
A nuisance, who sent, you sent for me?
Now this looks like a lunch for me
So everybody just let me eat
Cuz we need a little pork & beef,
Cuz it feels so empty without meat
I said this looks like a lunch for me
So everybody just let me eat
Cuz we need a little pork & beef ,
Cuz it feels so empty without meat
A tisk-it a task-it,
I go tit for tat with anybody who's lightin this & that lit
Ms. kapatricks, you can get your meat stole
Worse than them little imp Limp CABizkits
And Obie, you can get stun by Obie,
You 36 year old bald headed scared to know me
You don't know me, you're too old
Let go, it's over, nobody listens to techno
Now lets go, just give me the signal
I will be there with a whole list full of new insults
I've been dope, suspenseful with a pencil
Ever since He turned himself into a simple
But sometimes (*wow*) it just seems,
Everybody only wants to discuss me
So this must meat I'm disgusting,
But its just me I'm just o up scene
Though I'm not the first thing of controversy
I am the worst thing since Elvis Presley,
To do Black Music so selflessly
And use it to get myself worthy (*Hey*)
There's a concept that works
20 zillion other white rappers emerge
But no matter how many fish in the fridge
It'll be so empty without meat
Now this looks like a lunch for me
So everybody just let me eat
Cuz we need a little pork & beef ,
Cuz it feels so empty without meat
I said this looks like a lunch for me
So everybody just let me eat
Cuz we need a little pork & beef ,
Cuz it feels so empty without meat
Hum dei la la la, la la la la la, la la la la la, la la la la
Hum dei la la la, la la la la la, la la la la la, la la la la
