

# 702, Will you be ok

Will you be ok  
If I go away  
Wish that I could stay  
Say you'll be ok  
Baby  
I know that it hasn't been long  
and yet it seems our likin'  
Has grown into love  
Baby  
You know that we knew all along  
That in a little while  
I'll be gone  
Still I need to know  
If I go  
Will you be ok  
If I go away  
Wish that I could stay  
Say you'll be ok  
Baby  
I can tell by the look in your eyes  
You're tryin' to hide what you're feelin' inside  
But go on and cry  
Baby  
I know I can't promise you when  
But we're gonna see each other again  
Until then I gotta know if you're ok  
Believe me  
I don't really wanna believe in  
That you can always call me  
When you need me  
It'll be ok  
It'll be ok  
You know  
It doesn't really matter where I go  
Cuz I'll be keepin' you in my heart  
So you're never far away  
Will you be ok  
If I go away  
Wish that I could stay  
Say you'll be ok  
Will you be ok  
If I go away  
Wish that I could stay  
Say you'll be ok  
Believe me  
I don't really wanna believe in  
That you can always call me  
When you need me  
It'll be ok  
It'll be ok  
You know  
It doesn't really matter where I go  
Cuz I'll be keepin' you in my heart  
So you're never far away  
Will you be ok  
If I go away  
Wish that I could stay  
Say you'll be ok  
(Repeat till end)
