911, Take Good Care

I saw my dreams have come to life

Repeat Chorus to fade

I've been broken-hearted It felt like my world was caving in, leaving me lonely It felt like my head was in a spin I'd too and I'd turn all night, wondering how it came to be I've been there, and I never will return If you're honest, girl (honest, girl) You will be my world (be my world) And I'll be there if you take good care forever Take good care of my heart, and I won't let you down, girl Take good care of my heart, I'll always be around, girl Take good care of my heart, and I will leave you never If you take good care forever I'd do about anything To show you that my love is strong enough Whether it's rain or shine Even when the going gets too tough I'll be there, on this, you can rely If you'll be my girl (be my girl) I'll promise the world (promise the world) And my love, I'll share if you take good care forever Repeat Chorus I used to make believe There was a girl of my dreams (girl of my dreams) When I opened up my eyes
