Gang /2x

I tell her come fuck with the gang  
I tell them don't fuck with the gang  
it's time to fuck up the whole gang

come fuck the the mob  
shootout to the lords and the gods  
in love with my bitch 'cause she bi  
my ice like the stars  
I tell that bitch cover your eyes

cause smoking with me you go blind  
she losing her mind  
we kiss to frank ocean and blonde  
convincing my bitch to go blonde

was born in the dark  
I can't even open my blinds  
on yams and that's word to my mom  
margiela mad man  
with cases I'm still tryna beat  
a buncha shit from a long time ago

the bigger they are, the harder they fall  
like dominos, nigga, geronimos  
when it's my time to go  
Adios vamonos  
flaco no dominicano  
but eat the tostones with platanos  
dealing with life and it's highs and lows

I'm just living like I'm supposed  
I guess it's called living  
shit I suppose  
I'm on my live alone die alone  
you talking about spending  
ot buying cloths
