Yeah

Fake homies do turn to fake phony dudes
Let me find out that you phony too
Yeah, fake homies do turn to fake

Roll my blunt, fill my cup, be my bitch
Hold my gun, load it up, count my slugs (That's my bitch)
They don't know nothin'
Roll my blunt, be my bitch (That's my bitch)
They don't know nothin'
Roll my blunt, fill my cup (That's my bitch)
They don't know nothin'

Roll my blunt, fill my cup, be my bitch, rub my gut
Rub yo' butt, be my slut, be my cunt, yeah, so what?
Fuck them hoes (That's my bitch)
They don't know nothin'
Fuck they talkin' 'bout? 'Cause they don't know nothin'

Time to call it what it was
First I thought it wasn't nothin'
Probably think I wanna hit and run
Bad girls wanna have fun
I don't want no Goody Two-Shoes, no, none
I ain't no priest, I ain't gon' preach
I ain't want no goodie-goodie, but she still praise Jesus
I share my clothes with my bitch like she my sis
I don't beat my bitch, I need my bitch
She clean my crib, she feed my friends
She keep my secret, she keep my fridge packed, my freezer lit
That's how deep I get, negative degrees
What's the type of bitch I need?

Roll my, roll my blunt, fill my cup, be my bitch (That's my bitch)
Hold my, hold my, load it up, count my slugs (That's my bitch)
Yeah, they don't know nothin'
Roll my blunt, be my bitch (That's my bitch)
They don't know nothin'
Roll my blunt, fill my cup (That's my bitch)
They don't know nothin'

Roll my blunt, fill my cup, be my bitch, rub my gut
Rub yo' butt, be my slut, be my cunt, yeah, so what?
Fuck them hoes (That's my bitch)
They don't know nothin'
Fuck they talkin' 'bout? 'Cause they don't know nothin'

She got bank accounts too
With big amounts, shit you couldn't count
Just pick the number that you couldn't count to
Like an attitude, curve a nigga when she didn't have to
Around the lords like a British counsel
With all these sticks around you
We can build you a wooden castle
Got a penthouse, see the Bronx Zoo
Got a town house with the town view
Got surround sound with the top down
Ride through Allerton up to Soundview
I was lost then, but I found you
I was slim thick with a bounce too
It's your tough love that I'm bound to
I fuck it up, then it's round two

Roll my, roll my blunt, fill my cup, be my bitch (That's my bitch)

Hold my, hold my, load it up, count my slugs (That's my bitch)
Yeah, they don't know nothin'
Roll my blunt, be my bitch (I fell in love with you)
They don't know nothin'
Roll my blunt, fill my cup (That's my bitch)
They don't know nothin'

Roll my blunt, fill my cup, be my bitch, rub my gut
Rub yo' butt, be my slut, be my cunt, yeah, so what?
Fuck them hoes (That's my bitch)
They don't know nothin' (I fell in love with you)
Fuck they talkin' 'bout? 'Cause they don't know nothin'

I fell in love with you
I fell in love with you
I fell in love with you
I fell in love with you
I fell in love with you
I fell in love with you
I fell in love with you
I fell in love with you
Baby (I fell in love with you)
Hey, it's been a little time since we both (I fell in love with you)
Felt full since our first encounter (My first encounter)
And baby (I fell in love with you)
Don't let another nigga try my baby, girl you know I'm one call away
(I wish a nigga would, I'm one phone call away)
It's nothin' (Shit ain't nothin', baby)
And baby (I fell in love with you)
My angel and my Goddess, when my head get clouded
My head get cloudy, my thoughts get cloudy
You're my soulmate, my Goddess (My soulmate)
And baby (I fell in love with you)
Took a little time in a gray place (I fell in love with you)
For nothin', no thanks

Roll my blunt, fill my cup, be my bitch
Hold my gun, load it up, count my slugs (That's my bitch)
They don't know nothin'
Roll my blunt, be my bitch (That's my bitch)
They don't know nothin'
Roll my blunt, fill my cup (That's my bitch)
They don't know nothin'
