

# A\$AP Rocky (ASAP Rocky), Fukk Sleep (ft. FKA

[FKA twigs]

Oh, yeah

Ohh, ahh

[A\$AP Rocky]

Fuck home, fuck sleep, come clean, zonin'

Can't forget that I'm golden, can't forget where I'm going

Fuck popo, police, enemies, fake homies

Can't forget that I'm a OG, better act like you know it

[A\$AP Rocky]

Blunt smoke, smoke weed, codeine, cough

Tell that bitch that I'm awesome

Better back the fuck up off me

Coco, Celine, Tiffany, she flossy

Ain't concerned with who bought these

Can't forget that she bossy

When y'all was buying surfboards trying to ride the wave

I was cooking up another fucking tidal wave (brrrr)

Had to get entitled motherfuckers out the way

Had to take another title, sorry for the wait (oop)

Barely ever took a break on, fashion like my time need

More hours in a day, I apologize if I'm late

Tap the vein, whoa, barely look like I'm awake

Darker shades, bluer veins, bluer money in the bankroll

[A\$AP Rocky]

Fuck home, fuck sleep, come clean, zonin'

Can't forget that I'm golden, can't forget where I'm going

Fuck popo, police, enemies, fake homies

Can't forget that I'm a OG, better act like you know it

[A\$AP Rocky]

I remember I was poor and

When I was young and living homeless

Now I rock the Ricky Owens

Eyes lookin' like he rollin'

Got new bags under my eyelids

New bags up in my closets

New bags like I went shoppin'

New bags on new bags

Mind's better at seeing two now

Needing up on my downtime

Hit the waves with the new sound

House tunes but its screwed down.

That's dope (sauce)

Take a sec to thank the Lord, 'nother one to call my folks

Hit my momma on the phone, she like "son, you the boss"

Focus, don't get caught up in the moment

Can't forget that I'm golden, don't forget that I'm chosen

[A\$AP Rocky]

Fuck home, fuck sleep, come clean, zonin'

Can't forget that I'm golden, can't forget where I'm going

Fuck popo, police, enemies, fake homies

Can't forget that I'm a OG, better act like you know it

[FKA twigs]

They called me a witch

Burned me like saffron

My matter is golden a child of the odyssey

My touch is righteous, like virus my Midas  
I'm golden  
He told me when I'm present I'm chosen  
So hold me tight, I swear, I'm golden

[A\$AP Rocky]

Fuck home, fuck sleep, come clean, zonin'  
Can't forget that I'm golden, can't forget where I'm going  
Fuck popo, police, enemies, fake homies  
Can't forget that I'm a OG, better act like you know it
