

A\$AP Rocky (ASAP Rocky), RAF (feat. Frank Ocean)

I done come up
Busting down a whole bag
Broke nigga, step back
Why don't you peep a nigga;s swag
You don't even gotta ask
What are those
What is that?
Please don't touch my Raf
Please don't touch my Raf

I;m racked up like rappers
I'm Raf'd up on camera
Get knocked out on camera
Squeeze pump like asthma
It's rare Raf when I wear Raf
Rare Raf when I wear Raf
Might invest into some Raf shares
Lil niggas still share Raf
Yes, and I'm dripping on racks

Rick Owens be the tag
Do the digital dash
I;m boasting, never brag
Please don't touch my Raf
Bought a Kris Van Assche
Aleksandra Gucci bags
W.Anderson collab
She pop it like a mac
She drop it on the bag
