

# A\$AP Rocky, Wassup

[Intro]

Clams Casino, A\$AP (Wassup)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup, hey)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup, hey)

[Verse 1]

Back once again, sipping Henn', mixed with juice and gin

Bitches in, couple lady friends countin' Benjamins

Spinners spin on them twenty twins, that Mercedes Benz

Dividends made a change of plans, well that all depends

Shout-out my parolees and I smoke that OG

Kush motherfuck' the police, all my niggas rock gold teeth

So hood and we so street, sippin' on that codeine

We hustle hard, no sleep, your bitch loose, that's no leash

I ain't talking 'bout no money, I ain't talking 'bout no cars

Talking 'bout no diamonds 'cause that shit is a façade

Times is really hard, I fucked a couple broads

Smoked some purple out the jars, let me tell you who we are

[Pre-Chorus]

I be that pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

Pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

[Chorus]

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)

See me in the hood (Uh), the gangstas saying, &quot;Wassup&quot; (Wassup)

Uh

[Verse 2]

Pretty nigga in some shit you never hear of

Only thing bigger than my ego is my mirror (Uh)

Clothes getting weirder

Money get longer, pretty nigga pin your hair up (Uh)

The nerve of this dude

But I'm cool as a vent, 40 ounce full of brew

[Pre-Chorus]

I be that pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

Pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

I be that pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

Pretty motherfucker, Harlem's what I'm reppin'

Tell 'em quit the bitchin', we gon' make it in a second

[Chorus]

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)

See me in the hood, the gangstas saying, &quot;Wassup&quot; (Wassup)
