

A.F.I., Totalimmortal

Hope Unknown. Sometimes just waking is surreal
I walk right through the nameless ones
I know that hope's unknown
Sometimes the water feels so real
As I walk through it fills my lungs, my god, I'm drowning
This day never seems to end
This pain, never
This rage will not let go
I hear the calling
I feel them gnawing out holes
Through flawless souls
So alone. Sometimes I swaer that I can hear the taunting of the voiceless ones
I fear that I alone fear those who ceased to feel that they're alone inside this place
I am the misplaced
This day never seems to end
This pain, never
This rage will not let go
I hear the calling
I feel them gnawing out holes
Through flawless souls
Now every face, it looks familiar
Then every face would melt away until
Now everyone, do you know, I know your deception?
