

# A Few Good Men, Don't Cry (Behind My Back)

Don't cry, don't cry  
Baby don't, behind my back  
Don't cry, don't cry  
Lady, I, I want to tell you  
That you're all that I want and all that I need  
And if you feel you wanna cry  
Just let me look inside  
I understand the pain that you feel  
And when you need someone to hold you  
You can come and run to me  
And I will be your guiding in the night  
Please, don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart  
If you put your hand in mine  
Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back  
Baby, you, you're the one for me  
And when you need me by your side  
I will be there  
'Cause I know what's in your mind  
Sometimes you want to cry  
But you feel afraid to reveal it to me  
But if you bring your broken heart  
I will mend every part  
So I can be the one to heal it totally  
Please don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart  
If you put your hand in mine  
Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back  
So when you're feeling down and out  
I feel it in my heart  
And when you need someone to hold you tight  
You know that you can depend on me  
And I know  
Lovin's nothing less  
You give and get something  
At times when you feel you can't go on  
Don't cry, don't cry  
Don't cry, don't cry behind my back  
Don't cry, don't cry  
Don't cry, don't cry behind my back  
I said, lovin's nothing less  
You give and get something  
Please don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart  
If you put your hand in mine  
Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back
