

A Few Good Men, Have I Never

Have I never told you I love you?
Have I never told you I care?
Have I never told you how much I need you?
Have I ever, ever not being there?
If I never told you a care
Girl, I swear to you, it's not because the feeling's not there
I'll promise to you from the top of my soul
The bottom of my heart, girl, don't you know I love you then?
I love you now and will forever more
Have I never
(Ooh)
Told you I love you?
(Told)
Have I never told you the words
Baby, I love you, you know, I love you?
Just know that I love you
Have I ever told you I miss you?
Have I ever hurt your heart
Girl, I never ever meant to mistreat you
I could never knowingly break your heart
If I ever called you to feel
The words I speak straight from my heart are not very real
I promise to you from the tip of my heart
To the depths of my soul I pray that you know
I love you now, I love you then and will forever more
Have I never
(Oh, ho)
Told you I love you?
(I love you, baby)
Have I never
(Have I never, never)
Told you the words, baby, I love you?
(Baby, I, you know I)
You know I love you
Just know that I love you
(Yeah)
Oh, baby
(Baby)
Baby, you will always
(Be my)
Be my lady
And I promise
(Promise)
I will never
(Mmm)
Break your heart
(Heart)
'Cause I love you
(I love you)
I need you
(I need you)
And will forever
Have I never told you I love you?
(Oh, baby)
Have I never
(I never, no, no, no, no, no, no, no, no, no, no, baby)
Told you the words?
(I know that I love you, baby)
Baby, I love you
(I want you to know that I love you, baby)
You know I love you
Just know that I love you
(I love you, I love you, I love you, I love you, love you, love you, I do)
Have I never

(I never)
Told you I love you?
(I never, never, never, never)
Have I never
(Oh, oh, oh)
Told you the words?
(Baby, I)
Baby, I love you
(You should know)
You know I love you
Just know that I love you
No, no, no, no, baby
I love you, oh, baby
Just know that I love you
