

# A Flock Of Seagulls, Never Again (The Dancer)

I walked alone through the city streets  
I hear the shadows calling my name  
Lost in the glow of the neon lights  
My heart is calling  
Say you will answer me  
Never again

Dancing alone under the cloudy moon  
Feeling the rhythm, feeling the heat  
No one can see all the tears I cried  
Dancing alone, lost to the beat

My heart is calling  
Say you will answer me  
Never again for the dancer  
I am the dancer  
I'm the dancer  
I am the dancer

Dancing alone here in this crowded room  
Millions of faces, but no one I see  
Dancing alone, the shadows call too soon  
My heart is calling  
Say you will answer me  
Never again

I'm just a dancer...wo oh...wo oh oh  
I'm just a dancer who needs more...wo oh  
I'm dancing in and out of time  
You keep me waiting on the line...wo oh  
I am the dancer

My heart is calling  
Say you will answer me  
Never again

I'm just a dancer...wo oh...wo oh oh  
I'm just a dancer who needs more...wo oh  
I'm dancing in and out of time  
You keep me waiting on the line...wo oh  
I am the dancer  
I am the dancer  
I am the dancer  
I am the dancer  
I am the dancer...
