

# A Great Big World & Christina Aguilera, Fall On Me

Sooner or later the lights up above  
will come down in circles and guide me to love  
I don't know what 's right for me  
I cannot see straight  
I've been here too long and I don't wanna wait for it

fly like a cannonball straight to my soul  
tear me to pieces and make me feel whole  
I am willing to fight for it  
to feel something new  
to know what it's like to be sharing a space whit you

Fall On Me  
With open arms  
Fall On Me  
from where you are  
Fall On Me  
with all your lights  
with all your lights  
with all your lights

Sooner or later it all comes apart  
the walls are all shattered  
I am back at the start  
and I am willing to follow this  
wherever it goes  
the hart has its reasons that nobody knows

and I wanna believe in a world we can't see  
millions of parties passing through me  
and I know there's a meaning  
I feel it I swear  
I can't see the future  
but I know that it's here

Fall On Me  
With open arms  
Fall On Me  
from where you are  
Fall On Me  
with all your lights  
with all your lights  
with all your lights

with all your lights  
i close my eyes  
and i am seeing you everywhere i step outside  
it's like I 'm breathing you in the air  
I can feel you're there

Fall On Me  
With open arms  
Fall On Me  
from where you are  
Fall On Me  
with all your lights  
with all your lights  
with all your lights
