

# A Great Big World, Won't Stop Running

Facing forward  
Lights out  
I won't stop running  
Falling backwards  
Hands tied  
I won't stop running  
I'll take another sunrise  
Another hand to hold tight  
This isn't over  
I am way too young and I won't stop running

I don't know how much longer I can fake it  
That it's all alright, that I can do this alone  
And I know that life is what you make it  
But it's hard to see stars when you're always caught in the folds

Every night in my mind it's a fight  
But I won't stop dreaming  
'Cause this isn't over  
It's never over

Facing forward  
Lights out  
I won't stop running  
Falling backwards  
Hands tied  
I won't stop running  
I'll take another sunrise  
Another hand to hold tight  
This isn't over  
I am way too young and I won't stop running

I'd rather be the one that starts the fire  
Than to shut my mouth and be the one who gets burned  
Yeah it is what it is, but I wanna go higher  
'Cause I felt it once before  
I believe the tables will turn

I wanna love and be the one who is loved  
No I won't stop dreaming  
'Cause this isn't over  
It's never over

Facing forward  
Lights out  
I won't stop running  
Falling backwards  
Hands tied  
I won't stop running  
I'll take another sunrise  
Another hand to hold tight  
This isn't over  
I am way too young and I won't stop running

How do you explain it?  
For seven years I made it through the falls  
I'm living it all  
Living it all

I'm tearing off the labels  
And suddenly I'm able, scaling walls  
I'm living it all  
Living it all  
And I won't stop running
