

# A-ha, Make Me Understand

Always a loner  
Always alone  
Not sure I can make it  
I'm expected at home  
Or somewhere important  
I promised to be  
Catch up with you next time  
Definitely

Make me understand  
Give me a fighting chance  
Show me if you can  
Words for a wayward man

Can we talk later?  
I'll give you a ring  
I'm in the middle  
Of nothing  
Explain if you will  
If it's no bother  
Like what one man  
Would do to another

Make me understand  
Give me a fighting chance  
Show me if you can  
Words for a wayward man

Make me understand  
Show me the masterplan  
Give me a helping hand  
I'm lost in this monster-land

Make me understand  
Give me a fighting chance  
Show me if you can  
Words for a wayward man

Make me understand  
Show me the masterplan  
Give me a helping hand  
I'm lost in this monster-land
