

A La Carte, When the boys come home

When the boat comes in
Ill wait for you
With your little son
With his eyes so blue
Cause of this war
Youre far away
Come on home to me
Come on home to stay
All girls in town
Are so afraid
Itll be too late
And theyll have to wait
In loneliness till eternity
Come on home to stay
Come on home to me
When the boys come home from cross the sea
Theyll come home for you and me
United we will all survive
You will see when the boys arrive
When the boys come home from cross the land
Well be happy then again
And peace will be in every heart
In the hope that will never part
And the time has come when we should fight
For peace and love and the human right
If I love you and you love me
Lets get together then lets all be free
When the boys come home from cross the sea,...
