A*M*E, Heartless

I can hear the beat of your bass
Hear the beat of your bass
Got me running excited

Come on over
Give me a taste
Come on
Give me a taste
You you set me on fire

Turn the lights down low
Won't you find me in the darkness
Be my Romeo

Baby don't you be so heartless
Cause I've been counting down
The hours on the clock
Waiting for you tonight
Boy don't leave me lying here
Slowly going out of my mind

You don't know what you do
What you do
When you turn off the light

Don't you leave me in the darkness
No don't you be so heartless
Don't you leave me in the darkness

You got my heart running faster than Usain,boy
You've got this hold that I just can't get out my brain, boy
You seem to lgiht me up
With you I always on tht top
You got my heart running faster than Usain,boy

Got me all excited
Boy, you got me
Won't you find me in the darkness
Don't you elevate me higher
You elevate me

Baby, don't you be so heartless
Cause I'm been counting down the hours on the clock
Waiting for you tonight
Boy don't leave me lying here
Slowly going out of my mind

You don't know what you do
What you do
When you turn off the light

Don't you leave me in the darkness
No don't you be so heartless
Don't you leave me in the darkness

I know what I want
And you seem right playing hard to get
No, that's not right
All these girls
Yeah, they're after you
All these girls
Yeah, including me, too

Uh huh

You're above
The rest can't compare
Yeah, you are the best
Be mine and forget them all
Me and you
Unforgettable

You don't know what you do
What you do
When you turn off the light

Don't you leave me in the darkness
No don't you be so heartless
Don't you leave me in the darkness
