

A Rocket To The Moon, Baby Blue Eyes

My eyes are no good- blind without her,
The way she moves, I never doubt her.
When she talks, she somehow creeps into my dreams.
She's a doll, a catch, a winner,
I'm in love and no beginner;
Could ever grasp or understand just what she means.
Baby, baby blue eyes,
Stay with me by my side;
'Til the mornin', through the night.
Well baby,
Stand here, holdin' my sides,
Close your baby blue eyes;
Every moment feels right.
And I may feel like a fool,
But I'm the only one, dancin' with you.
Oh...
I drive her home when she can't stand,
I like to think I'm a better man
For not lettin' her do what she's been, known to do.
She wears heels and she always falls,
Don't let her think she's a know-it-all.
But whatever she does wrong, it seems so right.
My eyes don't believe her,
But my heart, swears by her.
Baby, baby blue eyes,
Stay with me by my side;
'Til the mornin', through the night. (can't get you out of my mind)
Well baby,
Stand here, holdin' my sides,
Close your baby blue eyes;
Every moment feels right.
And I may feel like a fool,
But I'm the only one, dancin' with you.
Oh...
Can't get you out of mind.
I swear, I've been there.
I swear, I've done that.
I'll do whatever it takes, to see those
Baby, baby blue eyes,
Stay with me by my side;
'Til the mornin', through the night. (can't get you out of my mind)
Baby, stand here, holdin' my sides,
Close your baby blue eyes;
Every moment feels right.
And I may feel like a fool,
But I'm the only one, dancin' with those
Baby, baby blue eyes,
Stay with me by my side;
'Til the mornin', through the night. (can't get you out of my mind)
Baby, stand here, holdin' my sides,
I'm closin' your baby blue eyes;
Every moment feels right. (every moment feels right)
My eyes are no good- blind without her,
The way she moves, I never doubt her.
When she talks, she somehow creeps into my, dreams.
