(Girls Sing)
We're like night and day - White and black
But what we have is a perfect match
When I say this - you say that
But love comes easy 'cause opposites attract

(Boys Sing)
You keep your clothes looking crispy & Dean
(Alt. keep your clothes so fresh and so clean)
I got holes all over my jeans

(Girls Sing)
We're like night and day - White and black
But what we have is a perfect match
