can't seem to get the smile off my face
goin down tonight
everything is gonna be alright
but right now i'm gettin down slippin down in the light

i've got
high emotions
and it's
all for you

dreams in motion
in a
sky so blue
and i
don't think it's gonna rainy today
are you coming out to play?

i got sunshine
in my life
and it shines
so bright
and i feel so high
i can reach the sky
cuz i got sunshine
