

Aaliyah, Aaliyah - I Refuse

This is where I've got to draw the line
Because I refuse to let you think you can play with my mind
Always seems that you think that I'm blind
'Cause there's always certain times when you're hard to find
You're on the go, I'm on the go, we're on the go
I can't catch you no more, I can't see you no more
And it no longer can't be ignored
'Cause at once upon a time it was you I adored
You disappeared and left me here, out in the cold
And the absence of you is hurting my soul
Didn't know there was an end of the road
It was so easy for you just to let it all go
And I refuse, I refuse to have one more sleepless night
I refuse, I refuse to let a tear fall from my eye
I refuse, I refuse to continue to try
I felt like I would die, if I could break down and cry
And I refuse, I refuse to let you walk back through that door
I refuse, I refuse to let you hurt me anymore
And I refuse, I refuse to continue to ignore
The fact that I fell to the floor, the day you walked out my door
And I refuse, no way, I can't take it baby
I refuse, no way, I can't take it baby
And I refuse, no way
But I refuse to take it anymore
Remember when I told you I could feel the change
You don't touch me the same, don't hold me the same
No, I don't want you to take all the blame
'Cause I know I had those moments when I caused the pain
This back and forth, just like a war with you and me
See we both disagree, have we ever agreed?
This ain't nothing like I thought it would be
Was it all just a dream? Was it ever in my reach?
And I refuse, I refuse to have one more sleepless night
I refuse, I refuse to let a tear fall from my eye
And I refuse, I refuse to continue to try
I felt like I would die, if I could break down and cry

And I refuse, I refuse to let you walk back through that door
I refuse, I refuse to let you hurt me anymore
And I refuse, I refuse to continue to ignore
The fact that I fell to the floor, the day you walked out my door
It was your way or it was no way
And I couldn't live that way, no no no
It was our call, then it was your call
'Cause I gave you my all and all
And I refuse, I refuse to have one more sleepless night
I refuse, I refuse to let a tear fall from my eye
And I refuse, I refuse to continue to try
I felt like I would die, if I could break down and cry
And I refuse, I refuse to let you walk back through that door
I refuse, I refuse to let you hurt me anymore
And I refuse, I refuse to continue to ignore
The fact that I fell to the floor, the day you walked out my door
No way, I can't take it baby
No way, I can't take it baby
No way
But I refuse to take it anymore
No way, I can't take it baby
No way, I can't take it baby
No way
But I refuse to take it anymore
I refuse
I refuse
And I refuse

And I refuse
I refuse
And I refuse
Said I refuse to take it anymore
Refuse
Refuse
