

Aaron Lines, Lost

Where am i, what was that
That made my heart beat so fast
I'm somewhere now that I've never been
So far from the world I was living in

Baby, I'm lost, but I'm not afraid
I know you're the one to show me the way
Lost in your arms, lost in your love
Girl, since I've found you
When I'm around you, I'm lost

I've come so far, I can't turn back
There was no star, there was no night
Well, I followed you to this place
Now it's too late, standing here face to face

Baby, I'm lost, but I'm not afraid
I know you're the one to show me the way

Lost in your arms, lost in your love
Girl, since I've found you
When I'm around you, I'm lost

It just seems so right to be holding you tight
I never thought it could feel so good to be lost

Lost in your arms, lost in your love
Girl, since I've found you
When I'm around you, I'm lost
But I'm not afraid
I know you're the one to show me the way
Lost in your arms, lost in your love
Girl, since I've found you
When I'm around you, I'm lost

Baby, I'm lost
