

Aaron Rothe, Nothing To Lose

Close my eyes, exhale your voice from my head. Looking for some truth in the lies that i was fed.
And your thought for poking im alway's choking, but i can wait my turn. And i built these walls to ke
Cant you here me? What else must i say! lost a touch to. Of feelings away,with our sense of reality
If you can see now! My broken face! You'd see im watching your every move. If i can see girl your
Hold me now, I can feel you. I am so alone. Let her know deep inside her heart is were she is home
Cant you here me? What else must i say! lost a touch to. Of feelings away,with our sense of reality
If you can see now! My broken face! You'd see im watching your every move. If i can see girl your
