

# Aaron Shust, One Day

One Day I will leave this body  
and I will get a perfect one  
That day I will see His glory  
shining like the noonday sun  
One day, I'll take a walk with Jesus  
He might explain the mysteries of life  
Some say, I just can't believe it  
but I know that one day

We will gather at the Crystal Throne  
All these years: we're finally home  
I can actually see His face  
And all I can do is say,

Holy, Holy is the Lord Almighty,  
Who was and is and is to come  
We lay our crowns before You  
Every heart and soul: adore You:  
The God of gods, Almighty One

One Day, death will be abolished  
And sin will have its mastery no more  
And I know that we will be astonished  
At all that our Creator has in store  
One day we will meet our Savior  
And He will give each one of us a stone  
Engraved with our names upon it:  
known by God alone
