

# Abba, Crazy World

I was out for the morning sun  
Couldn't sleep so I thought I'd take a walk  
I was thinking of you and me  
And I went to your house 'cos I had to talk  
I could hardly believe my eyes  
When I saw this guy closing your front door  
Had a feeling of emptiness  
Like I've never had before

And I close my eyes  
Will you leave me, girl?  
And I realise  
It's a crazy world

As he disappeared in his car  
I was stunned and I didn't know what to do  
Everything I had ever been  
Everything in my life's a part of you  
And I just couldn't move my feet  
So I stood on the pavement as you came out  
You acted as you didn't know  
What it was all about

And I close my eyes  
Will you leave me, girl?  
And I realise  
It's a crazy world

Baby how could you do it  
You just told me lies  
Had you been behind my back with other guys?  
Baby how could you tell me  
There was only me  
I was stupid to believe you  
I was blind but now I see

Then you smiled and you took my hand  
"There is something," you said "that you may not know.  
There's a couple of men in my life,  
And one of them is my brother Joe.  
He's been gone for a long long time  
But he's back and I think he's gonna stay.  
You'll be seeing a lot of him  
He's so nice in every way."

And I close my eyes  
Never leave me, girl  
And I realise  
It's a crazy world  
So I close my eyes  
Never leave me, girl  
Then I realise  
It's a crazy world
