

Abba, Tiger

The city is a jungle
you better take care
never walk alone after midnight
if you don't believe it
you better beware of me

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger

The city is a nightmare
a horrible dream
some of us will dream it forever
look around the corner
and try not to scream, it's me

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger

Yellow eyes
are glowing like the neon lights
yellow eyes
the spotlights of the city nights

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger

The city is a prison
you never escape
you're forever trapped in the alleys
look into the shadows
and you'll see the shape of me

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger

Yellow eyes
are glowing like the neon lights
yellow eyes
the spotlights of the city nights

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger
and if I meet you
what if I eat you

I am the tiger
I am behind you
I'll always find you
I am the tiger
